IOWCHS retains ownership of all animals placed in foster care, and will make all decisions regarding the adoption and placement of the animals fostered.

Approved veterinary care expenses will be paid by IOWCHS, to include any medications required by foster animals.

In some cases, IOWCHS may provide initial food/litter, crate, and supplies; thereafter however, the foster family may be required to purchase food/litter, etc. at their own expense.

The foster parent is responsible for transporting the animals to and from veterinary appointments and adoption events.
